2. **PURCHASE PRICE:** Purchaser agrees to pay to the Seller the total sum of \_\_\_\_\_ (the "purchase price") subject to acreage determination by survey. Purchase price is figured from:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

3. **TITLE:** Seller shall furnish Purchaser with an Owners Title Insurance Commitment (Title Commitment), issued by Stewart Title Co. Title insurance premium policy is to be split 50/50 between the buyer(s) and seller. The Title Commitment shall commit the subject title company to issue Purchaser its standard owner's policy in the amount of the purchase price, showing title to the Property in the name of the Seller.

In the event that the Seller is unable to convey the Property in accordance with the terms of this agreement, Purchaser shall elect to either (a) take the Property encumbered with the objectionable exceptions to the title and waive any and all objections thereto without abatement of the Purchase Price, or (b) receive a refund of the Earnest Money, and upon such refund being made, this Agreement shall terminate and be of no further force and effect.

4. **SURVEY:** If survey is necessary, survey shall be provided at Seller's expense a new survey reflecting the legal description, acreage and boundary lines for any Tract of the Property where there is no existing legal description or where new boundaries are created by the divisions of Tracts at the Auction. Any need for a survey shall be determined at the sole discretion of the Seller. If a new survey is determined to be necessary by the Seller, the Purchase Price shall be adjusted to reflect any difference between the bid acreage and the surveyed acreage. Purchaser will then have a revised Purchase Price calculated by Multiplying the surveyed acreage by the actual Purchase Price per Acre indicated in Paragraph 2.

5. **CLOSING AND POSSESSION:** The "Closing" shall take place on or before Tuesday, February 18, 2025 at the office of Stewart Title Co. and at a time designated by the Seller and agreed upon by Purchaser. Concurrently with the Closing, Purchaser shall pay to the Seller the Purchase Price, less the Earnest Money as provided for herein. Upon full receipt of the entire Purchase Price by Seller, Seller shall deliver to Purchaser special warranty deeds from each selling entity conveying title in the property to the Purchaser. Purchaser shall pay the charge for recording the Deed. Seller and Purchaser agree to execute any real estate transfer declarations required by the state, county or municipality in which the Property is located. If the improvements on the property are substantially damaged or destroyed by fire or other casualty prior to closing, then Buyer will have the option of accepting all of the insurance proceeds and proceeding to close this Agreement, or terminating this Agreement. If this Agreement is terminated due to this paragraph then the earnest money will be returned to the Buyer.

7. **WARRANTIES:** Purchaser acknowledges that Purchaser has been given an opportunity for a full inspection of the property and related information and further acknowledges with respect to this agreement that Purchaser is satisfied in all respects with the condition of the Property and all matters pertaining thereto. Purchaser accepts the Property "as is" and in its present condition with Purchaser assuming risk thereof. Purchaser understands that Seller makes no warranty or representation of any kind, either implied or expressed or arising by particular purpose of the Property or any portion thereof, and in no event shall Seller be liable for consequential damages. Purchaser acknowledges that Seller has not agreed to perform any work on or about the Property as a condition of Purchaser's purchase of it.

8. **MINERAL RIGHTS:** One hundred percent (100%) of the mineral rights owned by Seller with respect to the Property, if any, shall be conveyed to Purchaser at Closing.

9. **REAL ESTATE TAXES AND ASSESSMENTS:** The 2025 property taxes will be pro-rated to the date of closing.

10. **DEFAULT:** If Purchaser fails to perform any obligation imposed by this Agreement, Seller may serve written notice of default upon Purchaser and if such default is not corrected within ten (10) days thereafter, then, at the option of the Seller, this Agreement shall terminate and the Seller shall be entitled to retain the Earnest Money paid hereunder as liquidated damages. The foregoing remedy in the event of default is not intended to be the exclusive remedy of Seller, and Seller shall have the right to seek any other remedies available at law or equity, including but not limited to specific performance. Default by Purchaser shall entitle Seller to court costs and reasonable attorney's fees incurred in enforcing the provision of this Agreement.

In the event of failure of Seller to perform the obligations imposed by this Agreement, Purchaser's sole remedy hereunder is to terminate this Agreement and receive a refund of the Earnest Money upon similar notice served upon Seller and similar expiration time period.

The Purchaser has been advised that the Property is being sold "as is, where is" and that Seller is not representing or warranting that the condition of the Property is in accordance or compliance with any past, present, or future federal, state or local environmental laws, regulations, requirements, or standards.
